GAME CHANGE REQUEST POLICY (GCR): A Game Change REQUEST must be submitted online through GotSport. The home team must complete the GotSport Game Change Request form 10 days or more from the scheduled game date or it will automatically be denied. GCRs will not be considered through emails, texting or phone calls (Gotsport only), unless it is an emergency or time-sensitive situation beyond a club's control (example: loss of field). If such a situation does arise, notify info@newyorkclubsoccer.com at once, so that they can assess/resolve the situation. Must Show Proof of loss of venue.

GCRs ARE LIMITED TO THE BELOW ACCEPTABLE REASONS ONLY:

- 1) EASTERN NY STATE CUP CONFLICT
- 2) WEATHER RELATED
- 3) RELIGIOUS HOLIDAY
- 4) PERMIT/FIELD ISSUE RELATED (Must Show Proof of loss of venue- email from Facility Owner/Town/Parks Dept./School District)

UNACCEPTABLE REASONS:

- 1) Coaching conflicts: Teams will need to find another coach from your club to cover the game.
- 2) Player availability: Teams may supplement their roster with players from other age-appropriate teams within their club, whose cards are issued from the same league (ex: CJSJ, LIJSJ, WYSL...).
- 3) Conflicts with games from other leagues

Steps:

- 1) Prior to requesting any game changes, the team/club requesting the change must contact their opponent regarding the game details, preferably by the GotSport chat feature* (see below) or by email or phone call to reach agreement on any game changes.
- 2) After the details (new time, date, venue/field, etc...) have been agreed upon, the home team must complete the GCR. Do NOT complete a GCR without agreement from the opposing team or it will be denied. The league can NOT monitor team chats and will ONLY consider a GCR if the appropriate information and agreement from the opponent is in the request.

****If the teams are swapping home/away fields, the original home team must input the new date, time and venue/field into the notes field or it will be denied.**

- 3) The opposing team MUST respond to the GCR by agreeing or refusing the pending request in their list of matches or it will be denied (see below for instructions). The opposing team must respond within 2 days of the GCR submission or the pending request will be denied.
- 4) YOU WILL BE NOTIFIED BY EMAIL IF YOUR GAME CHANGE REQUESTS HAVE BEEN APPROVED OR DENIED. The league will send both teams a message of the approved/denied change. Please allow 3 days for the league to respond to all Game Change Requests.

****Note that the assignors generally place officials on the matches 2 weeks in advance. If a team cancels the week of the game, they will be responsible for all Referee fees which must be paid within 48 hours of the cancelation in order to have referees assigned to the team's next game.**

Long Island Junior Soccer League (LIJSL)

LIJSL Game Change Requests must be submitted at least 16 days prior to the match with your president's approval, as well as approval from the Divisional Coordinator or Age Agroup Supervisor. Each Team is ONLY ALLOWED 2 changes for the entire season. Requests received less than 16 days will require the Age Group Supervisor's approval and will be charged an expediting fee. Requests less than 10 days will be only honored for unpredictable events.

You can find your Divisional Coordinator and Age Group Supervisor here:
<https://lijsoccer.com/wp-content/uploads/2023/04/FALL-2024-SUPV-COORDINATORS-091124.pdf>

Steps:

- 1) Send an email to your club president to get approval. You must write the email in the following format:

Subject: Match #

Email body:

Match Number:

Home Team:

Away Team:

Game Date:

Game Time:

Field:

Division:

REASON for your request:

** You do not have to include the other team or other team's president; only the requesting team's president's approval is needed.

- 2) Forward the email with the club presidents approval to the Divisional Coordinator and cc the Age Group Supervisor to postpone the game.
- 3) Once the game is postponed, get in touch with the opposing team via the Gotsport Chat to reschedule. All coaches must communicate directly with each

other via Got Sport messaging. Games must be rescheduled within 7 days of an approved GCR or weather-related cancellation. Those new dates should be 10 or more days out from the day you are submitting to the coordinators for rescheduling.

- 4) Once the two coaches agree, an email must be sent to your division coordinator and division supervisor that includes 1) BOTH COACHES confirming the new date, time, and location, and 2) the home field scheduler OR president approving the field space. Coordinators and supervisors DO NOT get included in the Got Sport chats. They can login and see from the back end, but they are not part of that team-to-team communication.

****Please send a separate email for each game.**
