Complete all requests on each page. If doing by phone you need to scroll down after saving the previous page to get to the next section.

Make sure you upload a clear picture of the players face and also a clear picture of their birth certificate or passport where it offers an option to upload a birth certificate. DO NOT UPLOAD EITHER DOCUMENT UNDER PASSPORT DOWNLOAD OPTION

After this you get to the payment part.

Following this you still have to check a few boxes to complete the electronic waiver regarding club policies before it's complete

IF 18 (or will be turning 18 at any point during the season year)

**you also need SafeSport since you are 18 years old. That is a requirement on the dashboard once you're in Gostport. If you turn 18 during the year and don't have this complete you could be kicked off a roster any time you are added or removed from an event roster or game card.
